Planning Board Report

September 2018

Ridership Table Notes

- Line 11: Washburn ridership is down 38% from 2017 levels YTD. A reduction in the number of foreign students enrolled is a likely casue.
- Lines 21 & 25: The shift from TMTA paratranist services to CCT continues.
- Total ridership of 120,600 is the highest monthly rideship in planning tracking spreadsheet (began January 2011)

SOTO

- SOTO
  - 772 trips in August
  - 5,900 total trips provided through 8/30/18

NOTES:

Ridership rose for first month since May (summer lull?)

Mars jumped to the top

Zone 3 showed a significant uptick

3 month down trend for trip time and trip mileage

Other Projects

- JEDO Presentations for SOTO & NETO 2019 funding
